inc GST

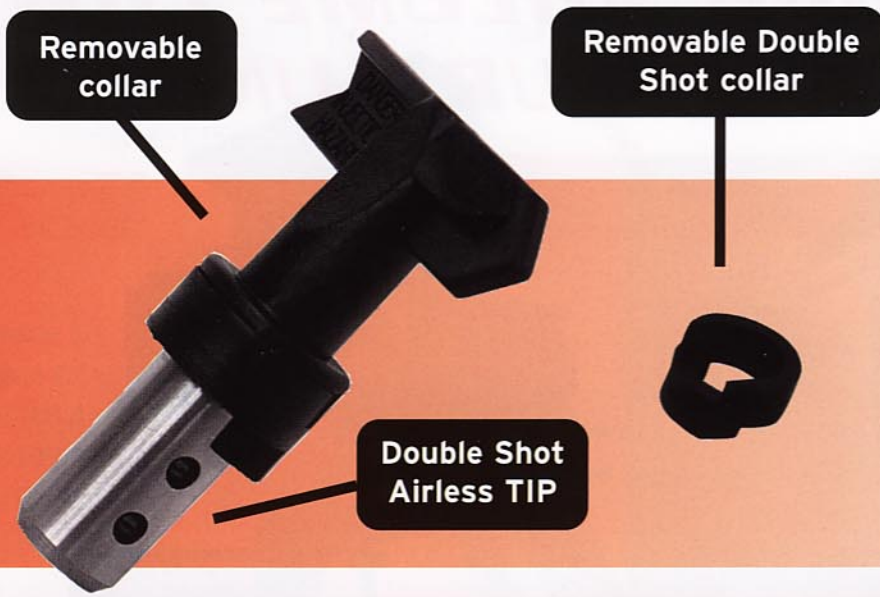

DOUBLE SHOT TIPS - DOUBLE VALUE

**'A GREAT
SPRAYING TIP'
FROM SPRAYCHIEF**

TWO AIRLESS TIPS IN ONE...

The new Airless Double Shot Reversible Spray Tip provides two airless carbides within the same airless tip (ie 2 x 017° carbides). When the first carbide wears simply remove the collar and move the tip into the correct position in the tip housing.

Available Sizes

211°	415°	521°
213°	417°	615°
311°	419°	617°
313°	421°	619°
315°	515°	621°
317°	517°	623°
413°	519°
